

## BabyCell turns 5!

The past 5 years have been a roller coaster ride for BabyCell. From starting its operations in 2009 to extending services in 121 locations, we have helped more than 10,000 parents preserve their love.

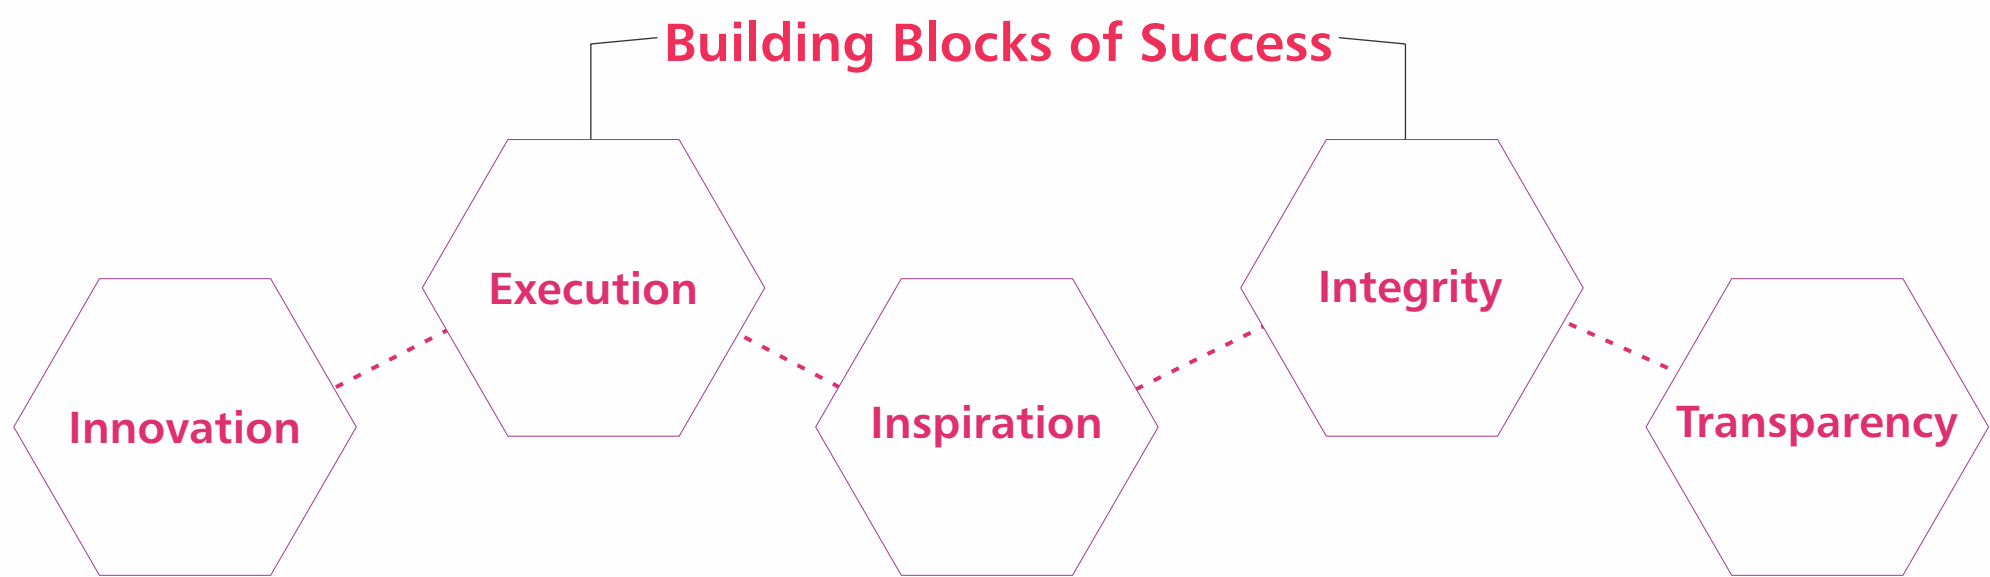

As we look at the past 5 years, we are extremely proud of what we have achieved and even more excited about the outlook for an equally promising future.

Mr. Yash Sanghavi, CEO

The mix of young scientists and best in class infrastructure allows innovative and new medical frontiers to be developed. Looking at our exclusive position in Indian market and the tremendous global potential for personalized medical treatment, RMS is steadily working towards spreading its wings across key world markets.
